MIXIT HAIR EXPERT

MIXIT Hair Expert – professional care with
Marine Collagen for home and salon use

MIXIT Collagen & Keratin Laminating for Frizzy Hair

Hair looks sleek and glossy, **like after a salon treatment**. Frizz is controlled and manageability improves, even in humid conditions.

The shampoo gently cleanses without drying while improving density, smoothness and shine. The conditioner smooths hair, protects against breakage and leaves it silky, sleek and easy to style.

For whom:

For those who want smooth, glossy, salon-like hair with long-lasting frizz control.

Hair need:

- lamination;
- repair;
- nourishment.

How it works:

- **Marine collagen** hydrates and restores elasticity, improving overall texture and leaving hair soft and flexible;
- **Keratin** smooths the cuticle, repairs micro-damage and reduces frizz, enhancing shine and manageability.

Result:

- lamination effect like after a salon procedure
- perfectly smooth, shiny, well-groomed hair – without weighing it down or extra effort;
- densification of hair structure;

MIXIT Collagen & Keratin Laminating for Frizzy Hair

A laminating hair **slime mask that delivers salon-like results at home**. The powerful pairing of collagen and keratin deeply restores hair while enhancing shine and smoothness.

For whom:

For those seeking intensive repair and a smooth, glossy finish.

Hair need:

- lamination;
- repair;
- nourishment

How it works:

- **Collagen** strengthens and repairs damaged areas;
- **Plant keratin** smooths and restores the cuticle;
- **Lipids** lock in moisture for long-lasting results.

Result:

- lamination effect like after a salon procedure
- intensive hydration from roots to ends;
- increased bounce and elasticity;
- shine and silkiness along the entire length and rich hair color;

MIXIT Collagen & Biotin Extreme Repair for Damaged Hair

A restoring line with collagen and biotin for deep repair of damaged hair. The expert formula improves strength, smoothness and natural
The shampoo gently cleanses the scalp and helps balance sebum to keep hair fresh for longer. The conditioner strengthens hair from within, smooths the cuticle and adds a soft laminating effect for silky, manageable hair without weighing it down.

For whom:

For those who want stronger, smoother, shinier hair with frizz control.

Hair need:

- repair from roots to ends.
- nourishment;
- hydration and conditioning;
- hair growth and strengthening;

How it works:

- **Marine collagen** forms a protective layer, smooths the cuticle, hydrates and fills structural gaps for smoothness and elasticity;
- **Biotin** supports scalp health, boosts keratin, helps reduce breakage and restores a healthy, glossy look.

Result:

- restored hair structure;
- normalized keratin production;
- strong, manageable and smooth hair;

MIXIT Collagen & Honey Shampoo & Conditioner for Curls

A shampoo and conditioner line with marine collagen and manuka honey extract that intensively hydrates and nourishes strands, helps reduce frizz and shapes natural curls. It preserves curl and softness without weighing hair down. Sulfate-free and silicone-free.

For whom:

For those who want maximum curl definition and repair of curly hair.

Hair need:

- repair;
- nourishment.

How it works:

- **Marine collagen** strengthens the hair structure and acts as a barrier against thermal and mechanical damage, preserving the curl shape;
- **Manuka Honey extract** deeply hydrates and nourishes, making hair more elastic and soft and giving curls radiance.

Result:

- shapes natural curls — noticeable after the first use;
- curly hair repair.

MIXIT Collagen & Honey Curl-Defining Cream

A curl-defining cream with marine collagen and manuka honey extract that intensively hydrates and nourishes strands, helps reduce frizz and shapes natural curls.

For whom:

For those who want to repair and define curly hair.

Hair need:

- curl bounce;
- hydration;
- nourishment.

How it works:

- **Marine collagen** strengthens the hair structure and acts as a barrier against thermal and mechanical damage, preserving the curl shape;
- **Honey extract** deeply hydrates and nourishes, making hair more elastic and soft and giving curls radiance.

Result:

- shapes natural curls — noticeable after the first use;
- curly hair repair.

MIXIT Collagen & Amino Acids Shine and Vitality

A shampoo and conditioner line with collagen and amino acids that intensively cleanses, densifies hair and boosts mirror shine. The expert-developed bioavailable formula helps hair regain its vitality fast. Collagen and an amino acid complex restore the cuticle and enhance healthy radiance.

For whom:

For those who want hair care with active ingredients for densification, radiance and easy styling.

Hair need:

- nourishment;
- hydration;
- repair;
- radiance;
- strengthening hair, reducing breakage and static.

How it works:

- **Marine collagen** thickens the hair shaft, helps repair keratin bonds and increases elasticity;
- **A complex of 7 amino acids** (betaine, glycine, arginine, cysteine, histidine, glutamine, lysine) increases cell viability in the hair structure, nourishes locks and fills damaged areas of the cuticle.

Result:

- boosted natural shine;
- smooth and strong hair;
- antioxidant protection provided;
- hair is easy to comb and style.

HAIR ACCESSORIES

MIXIT

MASSAGE BRUSH

MIXIT Hair Expert Brush

The MIXIT Hair Expert Brush massage brush is an accessory for scalp and hair care for all hair types, combining stylish design, **gentle combing** and a **massage effect**.

The flexible base perfectly adapts to the shape of the head, providing a relaxing massage effect, while the shape of the teeth **gently detangles** both dry and wet hair.

The one-piece body made of heat-resistant eco-material is suitable for blow-drying and is easy to clean.

Need:

- hair growth and strengthening.

How it works:

- a flexible, movable base adapts to the shape of the head, providing a massage effect;
- the shape of the teeth helps gently detangle dry and wet strands;
- heat-resistant plastic allows using the brush while blow-drying

Usage:

brush with gentle movements along the entire length from roots to ends. Use on dry or wet hair. For an anti-stress effect, make circular motions with the brush on the scalp for 1–2 minutes.
